I'm talking to you "like a Dutch uncis" (not that I don't need it just as much), because I want to help you to help yourself. Alone, it's a struggle for any of us to overcome what we really believe are our "limitations." But, if you will work with me, I'll bring out of you more than you've got in you. I propose to make a MONEY MAKER out of you.

Don't be stortical. I'm making the

MONEY MAKER out of you.

Don't be skeptical; I'm making the
wager-not you. Experience fan't necesaction for a knowledge of finance. But
you'll have both before we've beling securities
and on a liberal basis commission. Maybe
you think that you haven't got '500 a
week' in you. Perhaps you're right,
but it won't hurt me a bit-and you
know it—to hand you each week a commission check for \$100 if we've got to
be content with that—but I think you
can do better. Your expenditure is small you can.

Just you try to show me that I can't
